

TROT (Toll Rides Off-Road Trust) Application for Membership
RULES AND CONDITIONS OF RIDING LICENCE

I hereby apply for a licence to ride a horse/pony on Private Land Toll Routes and/or in some of the forests managed by the Forestry Commission (FC) and designated by FC as suitable for riding and where Toll administration is managed by TROT. I accept and agree that this licence will be personal to me (or the child for whom I am applying) and will not be transferable, and undertake not to give or lend the TOLL RIDE (OFF-ROAD) TRUST (TROT) hat band to any other person. I will return the hat band immediately if I wish to discontinue my riding licence. I will remain liable for THE LICENCE FEE on any hat band held in my possession until the hat band is returned to TROT. The child or I will comply with the Riding Regulations as set out below.

I am aware and accept that: Toll Routes are not owned by TROT; Toll Routes and Forest riding facilities will only be open during daylight hours; FC and landowners of Toll Routes reserve the right to close or restrict horse-riding routes for the purposes of Forestry, farm or land management, or any other purposes; Toll Routes and Forestry riding facilities may be closed during wet weather and all toll routes will be closed on Christmas Day.

I agree that neither TROT nor FC (nor any landowner or farmer over whose land there is a Toll Route) is responsible for the safety or condition of any Toll Route or Forest Route or place where riding can take place and that the child or I will ride entirely at our own risk and will rely only on my inspection of the terrain. I will indemnify TROT and FC and any landowner against any claim made by myself or by or on behalf of my child in respect of any injury or loss or damage suffered by the child or myself while riding on an Toll Route or in any of the Forests or by any person arising out of my or my child's riding. I understand that any licence to ride issued pursuant to this application will not be valid or effective if either the relevant licence fee has not been paid up to the date when it becomes due or I the rider is not wearing the appropriate hat band or other means of identification currently in force.

I have and will maintain adequate third party and liability insurance to cover any claims arising out of riding by myself or the child on any Toll Route or in any of the Forests.

I agree that by riding on a Toll Route or in a Forest the child or I will not claim any legal Right of Way over the land on which we will be riding and will only ride as licence holders of FC or the landowner. I understand that this agreement is without prejudice to any evidence for a public right of way in any current or future existence.

The child and/or I will accept the decision of TROT if any complaint is made about our use of any Toll Route or of the riding facilities in any of the Forests. I accept that TROT, FC and the landowner are entitled to withdraw the licence and hatband at any time upon giving me notice thereof in writing. On return of within 2 weeks of the expiry of the hatband and keys, if applicable, TROT shall return to me the deposits for which I shall have paid.
